LIFE'S FULL OF LESSONS

Parent Tips

- Preschool lessons have a 1 to 4 ratio and Youth Swim Lessons have a 1 to 6 ratio.
- Go online to www.dymca.org for class descriptions and questions to help you pick your level.
- If you are still unsure call your branch's Aquatics Director to help you pick a level or time.
- Swimmers often will need to repeat a level before progressing – we want to ensure your swimmers are ready for the next level.
- Find the session(s) that your swimmer can attend all classes. The YMCA does not do make-up lessons for missed classes.
