Program Details

Description	Join the fun this summer with the YMCA of Greater Des Moines. Our program is designed to create experiences helping youth build character, gain confidence, and learn friendship skills. All YMCA Summer Camps instill the Y'score values of caring, honesty, respect and responsibility into all activities. Activities will focus on three of the critical dimensions of well-being, including achievement, belonging and developing relationships. We will deliver on this with small and large groups, presenting children with an opportunity to grow personally and socially, to develop skills for meeting new friends, to learn and understand the YMCA Values - as well as have fun!
