LEAD THE WAY!

Incredibles 2 Kids Moving Movie Night INDIANOLA YMCA

Let your kids join us for a movie night! We will watch a different age appropriate movie each month, and play movie themed games in the gym. We will also create movie themed crafts throughout the night. So take this opportunity to enjoy a night out on the town, grab a bite to eat or just enjoy a nice evening of peace and quiet while your children are engaged with other kids and fun, responsible Y staff in a safe and structured environment! We will supply popcorn and drinks for movie time. We will not be serving dinner, so please make sure kids have had supper before they are dropped off.
