# LEARN & PLAY NEEDS YOUR HELP!

## HELLO PARENTS AND CAREGIVERS:

Did you know that a large amount of toys and supplies used here are from donations? When purchasing school supplies for your kiddos, please keep in mind that your Wellmark YMCA Learn & Play Center could use supplies to help our staff work towards shaping your child's creativity and inspiring their imagination.

If you would like to contribute, here's a list of what we could use the most:

- Crayons
- Colored Pencils
- Markers (washable)
- Glue Sticks / Elmer's School Glue
- Yarn
- Plain White Paper (copy paper would work)
- Water Colors
- Paper Products: plates, lunch sacks, cups
- Glitter/Glitter Glue
- Erasers
- Pom-poms and Cotton Balls
- Rulers, Squares, and Protractors
- Play-Doh
- Pencil Sharpeners

You may drop off items when you bring your child in to play. Thank you for your support!

-Your Wellmark Learn & Play Team
