- Make-ups will only be scheduled due to YMCA cancellation.

Financial Assistance

The YMCA of Greater Des Moines programs and activities are designed to benefit people from all backgrounds and fees are based on the cost of providing each program. While participants are expected to pay their share, we believe cost should never be a barrier that keeps kids from learning how to swim. The Y will assist any individual/family who wants to participate but cannot afford the fee.

Indianola Swim Lesson Level Questionnaire

Please use this questionnaire to help determine what level you should choose for your child.

Not sure which level to enroll in? It is better to enroll in a lower level. Swimmers often repeat levels before progressing; we want to ensure your child is ready, and children transition better moving up rather than down

Preschool Lessons Ages 3 – 5 (1:4 ratio)

Pike – Level 1

Is your child comfortable in the water?
Will your child put their face in the water?
Will your child swim unassisted without a floatation device?
No to any questions – enroll in Pike
Yes to all questions – move to Eel

Eel – Level 2

Can your child jump into the pool without assistance?
Can your child front float without assistance?
Can your child back float without assistance?
Will your child swim unassisted for 5 feet?
No to any questions – enroll in Eel
Yes to all questions – move to Ray

Ray – Level 3*

Can your child do a back float by themselves for 30-45 seconds?
Can your child do a kneeling dive correctly?
Can your child swim the front crawl without assistance for 15 feet?
No to any questions – enroll in Ray
Yes to all questions – move to Starfish

Starfish – Level 4*

Can your child swim the front crawl with side breathing?
Can your child do back crawl for 15 yards?
Is your child comfortable in the deep end?
Can your child tread water for 45 seconds?
No to any questions – enroll in starfish
Yes to all questions – move to Guppy

*Most Ray and Starfish classes are taught as combined classes. Instructors will determine the correct level on the first day of class.

School Age Lessons Ages 6 – 12 (1:6 ratio)
