## CASE FOR SUPPORT

The Walnut Creek YMCA's Annual Campaign seeks funding from individuals, corporations, and foundations to provide impactful membership and programming activities that are accessible to all — without regard to a person's socioeconomic status.

- **Youth development programs** like Saturday Night Live, Girls on the Run, youth sports, day camp and Learn & Play provide students with safe places to learn, grow and belong.
- Our goal is to **prevent drowning** by providing all children in our community with access to a pool and swim instruction. No child should be denied the opportunity to learn to swim due to lack of financial resources.
- Providing exercise, nutrition, and health education programs help us address chronic diseases such as heart disease, cancer, and diabetes, and lead to **improved health** outcomes.

.....

**Your support of the Y's Annual Campaign makes it possible for everyone in our community to become healthier in spirit, mind and body.**

.....

We believe the Y should be a place FOR ALL. Cost should never be a barrier that keeps someone away from learning to swim, joining a team, or taking control of their wellness.
