Youth Day Program Legos: WeDo 2.0 Programming INDIANOLA YMCA

Who doesn't love to build robots? Join the Indianola YMCA for a full day of building WeDo 2.0 Lego bots. WeDo 2.0 is meant to introduce kids to robotics, engineering and programming, but it's almost meant as a tool for teaching STEM in general. This system uses low energy Bluetooth and a drag-and-drop iPad interface to allow kids to write basic code to make their bots come to life. Space is limited so sign up today by calling the Indianola YMCA at 515-777-7746.

- DATES:** Wednesday September 25th
- TIME:** 8:00am-4:00pm
Children may be dropped off starting at 7:30am, and must be picked up by 4:30pm
